

Finding Mastering the interRAI CHA

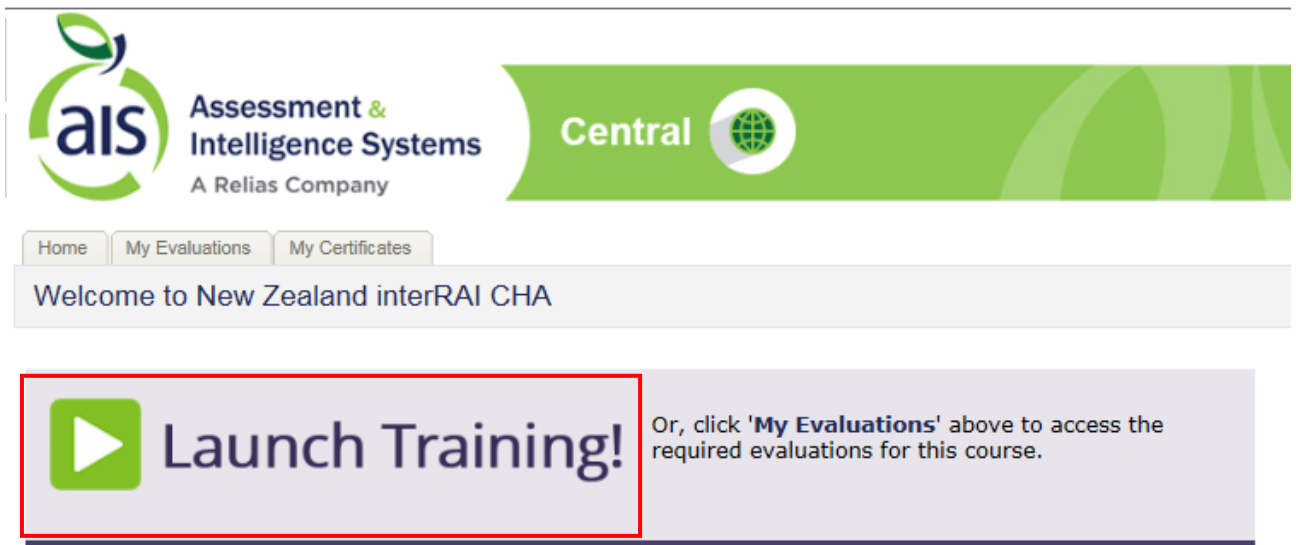

On your AIS home page click the arrow 'Get Started!'

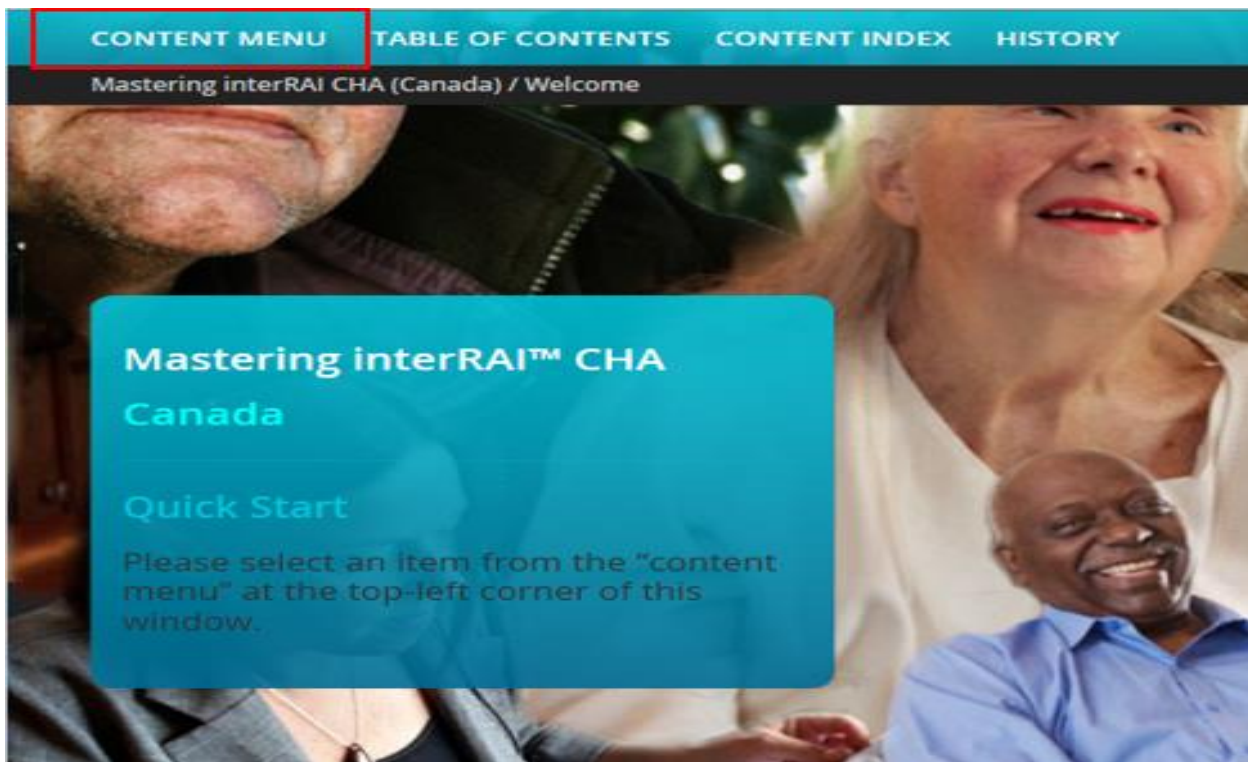

Then select 'Start Training'

This will take you to the following screen. Click, 'Launch Training!'

Select the tab 'Table of Contents'. The drop down menu will display all the sections you are required to read prior to attending training.

Select the following sections of this online training before you attend the classroom training:

1. Select Videos then select the video titled '**interRAI data aids in New Zealand earthquake**'.
2. **Assessment Process**
3. **Laura Rivers case study** – listen to CHA core module assessment; interRAI CHA Mental Health Supplement and interRAI CHA Functional Supplement
